

ODOUR EXIT

Destroys Bad Odours

Description :

Excellent for removing bad odours inside cars, trucks, RV's, boats, etc. Specially formulated to eliminate all unpleasant odours at the source, from mildew, smoke, sweat, animals.

Can be sprayed inside vehicle's air conditioning systems. Leaves a fresh air smell and no residue on carpets and fabric surfaces. Leaves no scent because it removes both good and bad odours.

Advantages :

- Professional product.
- Destroys bad smells.
- Product ready to use, can be diluted one to one with water.
- Cleans ventilation systems.

Instructions :

Spray on carpet or on surfaces to be treated from a distance of approx. 30 cm until the fabric is slightly damp.

To clean the vehicle's ventilation system, spray into the ventilation traps leaving the vehicle running. Close the door and allow 10 minutes to dry

For stronger odours, repeat procedure.

Do not spray on hard surfaces such as dashboard, leather or vinyl seats to avoid sticky surface.
